

At Organic Milk Exchange, we care about the health and well-being of our employees and their families. Each year, we strive to provide a benefits package that offers the benefits our employees deserve at an affordable cost for them and their families. Eligible employees may enroll in the healthcare benefits the first of the month following 30 days of employment.

Here's a snapshot of our benefits offerings.

Our medical and Rx plans are through Moda, and we reimburse employees for a portion of the medical plan deductible with a Health Reimbursement Arrangement (HRA) .

The HRA is administered by PNC Bank.

Employees also have access to Medical FSA and Dependent Care FSA plans through PNC.

We also offer dental coverage through Mutual of Omaha and a Principal vision plan, with a VSP network.

We offer company-paid Life, AD&D and Long-Term Disability plans for eligible employees, with the option to purchase voluntary Life and AD&D coverage for themselves and their dependents.

Employees can also elect to enroll in voluntary Accident insurance.
